JYLLAND

The Folding scandinavian

Mads K. Johansen (DK)

EN

The Jylland, another folding table in our portfolio, is a very practical piece of furniture with a Scandinavian heart, largely due to the functional folding mechanism so discreetly stored under the tabletop. The Jylland's practicality contrasts perfectly with the wood, which is perfectly finished in a timeless rectangular shape. The Jylland is available in several size options to ensure it has the optimum dimensions for efficient use of space.
