The longest table in our portfolio has solid legs, rounded edges and timeless design, all of which make it shine. Both chairs and armchairs will easily fit underneath it. The tabletop can be made of veneer, solid wood, or a rustic finish to focus attention on the natural wood grain. The Stelvio will become the wooden heart of your interior. Its spacious design exudes timeless charm, making it ideal for large family gatherings. An ample length of 350 centimetres, combined with its lovely appearance, mean it is the ideal choice for eating or talking together.
