Playful triple

Alexander Gufler (IT)

EN

Sometimes it doesn’t hurt to add a little fun to your life. Leave the rectangular shapes behind, let your imagination run wild and bring lightness and playfulness to your interior. This is the main mission of Austrian designer Alexander Gufler’s “triple Y” coffee table collection. The dominant feature here is the way the shapes playfully combine, in three heights – 35, 42.5 and 50 cm. The differing ratios of tabletop-to-leg-length mean that each table in the collection takes on its own character – but this trio works best when they’re all together.
